

WORKING WARDROBES LEADERSHIP INSTITUTE

The Working Wardrobes Leadership Institute is designed to empower our volunteer leaders, corporate partners and stellar supporters with opportunities for professional growth and developing leadership skills. Our engaging facilitators present vital leadership workshops embracing a wide variety of professional themes.

Impactful Verbal Communication

Presented by Vu Pham, CEO of Spectrum Knowledge

Thursday, March 29th, 7:30 am– 9:30 am at Working Wardrobes Career Center

What's a word worth? The worldwide advertising and branding industry alone features spends \$445 billion. The right words can truly influence others emotionally and logically. They form relationships that provide the backbone for getting work done and effecting profound change. This course trains you how to effectively use words to motivate and empower, increase collaboration and productivity, as well as develop talented managers and leaders.

Please RSVP today or no later than Friday, March 16th to MarloK@workingwardrobes.org

Cost: \$10
